

Dear Chris

Thank you for forwarding me details of your Freedom Housing concept. Having examined it, I believe that Freedom Housing will provide greater choice for the elderly and the disabled in our community. Receiving high levels of care – whilst also remaining with family in a non-institutional setting – will become a realistic option.

I support this concept and look forward to its realisation.

With best wishes

A handwritten signature in blue ink that reads "Kelvin Thomson". The signature is fluid and cursive, with the first name "Kelvin" being more prominent than the last name "Thomson".
